Before investing in an ETF, carefully consider the investment objectives, risks, charges and expenses. For a prospectus containing this and other important information, contact a Client Services representative at 800-925-2870. Please read the prospectus carefully before investing.

About XShares Advisors LLC

XShares Advisors LLC, a subsidiary of XShares Group, Inc., is a registered investment advisor that provides investment advisory services to exchange traded products. XShares also partners with major institutions and index providers seeking to bring innovative exchange-traded products to market using its administrative platform. In addition, XShares creates and licenses distinctive intellectual property for its ETPs, developing products that allow for innovative trading strategies and alternative investments for the financial community. For more information, visit the company’s website at www.xsharesadvisors.com .

ETFs are subject to risk similar to those of stocks including those regarding short-selling and margin account maintenance. ETFs may entail market, sector, and industry risks similar to direct stock ownership, and trading prices may not reflect the actual net asset value of the underlying securities.

There is no assurance that the investment process will consistently lead to successful investing. Diversification does not eliminate the risk of experiencing investment losses. Past performance does not guarantee future results.

TDX Independence Funds, Inc. ETFs are distributed by ALPS Distributors, Inc. XShares Advisors and ALPS are unaffiliated entities.
